Announcements – Week of May 21st

Stoves for Guatemala!

Typically in rural Guatemala, families cook their meals over an open wood fire inside their home. This leads to a higher incidence of respiratory disease due to indoor smoke and a higher rate of childhood burns and injuries. In addition, firewood for everyday is a major household expense and results in deforestation.

Circle #5 is leading an effort to fund fuel efficient stoves for members of our partner presbyteries. Each stove costs \$200. The stoves provide a preferable cooking surface, are vented to the outside, and use one third to one half as much wood, so households benefit economically and the environment suffers less degradation.

To help with this project, Alternative Giving Cards will be available during April and May in the narthex. For a donation of any amount, you will receive a card that can be used to honor a friend or loved one. These cards make wonderful gifts for Mother's Day, birthday, or any occasion.

Checks should be made payable to Presbyterian Women Circle #5, with "Guatemala Stoves" noted on the check's memo line.

Presbyterian Women Birthday Offering

During the month of May, Presbyterian Women celebrate the Birthday Offering. This year's two grant recipients are *Making Miracles Group Home* in Tallahassee, Florida and *Berhane Yesus Elementary School* (Kindergarten School Construction) in Dembi Dollo, Ethiopia.

Birthday Offering Envelopes are available at church services and in the church office the entire month of May. Or, if you are still staying at home, feel free to call the office and they will be happy to mail you one. To learn more about the Birthday Offering, visit: www.presbyterianwomen.org/birthday.

Guatemala Mission Trip

The Council on Sharing is discussing the possibility of scheduling our next church mission trip to Guatemala. The planning is in the very earliest stages. It would occur sometime in 2024, and would definitely involve a couple days with our partners at El Redentor. But all other details, including dates, duration, other activities and costs, are yet to be determined and would depend on the interests of participants.

If you have any level of interest in being part of such a trip, please let Doug or Mimi Michael know. Feel free to include any suggestions, needs or questions you may have. Doug Michael - douglaswmichael@gmail.com
